1. Vision

Little River Primary School provides a safe and happy learning environment, in which children are able to achieve their potential. It is a school where trust, respect and valuing others are fundamental beliefs.

2. Mission

Little River Primary School is committed to educational excellence and providing children with the opportunity to learn to the best of their ability.

3. OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

4. Values

Little River Primary School's values are respect, responsibility, inclusivity and dedication.

We respect ourselves, our school and each another, and understand that our attitudes and behaviours have an impact on the people around us.

We model and demonstrate kindness and take every opportunity to help others that may be in need.

We strive for excellence, which means trying our hardest and doing our best.

These values support students to become positive citizens who show care for their planet and its people. We strive for our students to become motivated and independent learners through the provision of differentiated teaching in order to meet students' individual learning needs.

The school values achievement, excellence, curiosity, innovation, respect and responsibility, perseverance, integrity, inclusiveness, respect for diversity, compassion, honesty and equity. The school also believes in having high expectations for all students and a commitment to hard work.

These practices support the vision of the school and will sit at its centre. There are expectations about all work aligning with the school vision, mission, values and objectives.

The student oath is recited weekly at the opening of Assembly. In 2013 and 2017, it was re-worked and edited by school student leaders.
