

Little River Primary School

2021 Year 6 Tax Invoice

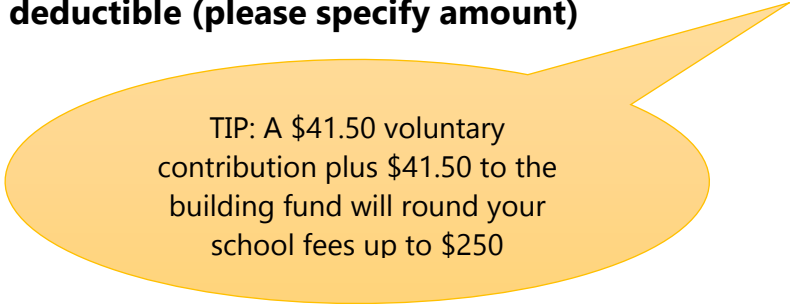

Dear Parents,

There are three areas for which parents may reasonably be requested to make a payment or contribution.

Essential Student Learning Items (Book Pack & School Fees) – These are items, activities or services that the school deems essential to student learning of the standard curriculum. Where practical and appropriate parents may choose to purchase items through the school or provide on their own. **Please let us know before 7th December 2020 if you would like to purchase your own.** It is very important the students have exactly the same size work books and stationery so children are not disadvantaged. Please contact the office if you require the list of requisites.

Optional items- These are items, activities or services that are optional and are offered in addition to the standard curriculum. Students may access these on a user pays basis. These may include; school magazines, class photos, camps, excursions, sports programs or activities.

Voluntary financial contributions – A payment which parents/guardians are invited to donate to the school. This may be a tax deductible contribution towards the building fund or a general contribution towards the purchase of classroom sets of music equipment, science equipment, sports equipment and Audio visual equipment for the school gymnasium.
